For the second year running, pupils had the opportunity to attend the school Well Fayre, a young persons wellbeing fayre highlighting and connecting young people with services available in support of their mental health. Presented in a relaxed trade-stand style, the setting was a great opportunity for pupils to meet and talk with the various providers. For the first time this year, we were able to open it up to parents, with those that took the opportunity finding it a very worthwhile experience. Next year's Fayre, already at the planning stage, will be bigger and better and will again be open to pupils and parents.

LIFE SKILLS

As part of our Life Skills programme, Shropshire Fire Brigade ran a session that covered water, electrical and fire safety. The programme will see our Adapt pupils gain useful knowledge for when they embark on life after school.

HAD RUGBY SQUAD

BLOOD BROTHERS

Drama GCSE students went to Wolverhampton Grand Theatre to see Blood Brothers to help them in their Drama written exam. Students represented the school wonderfully and thoroughly enjoyed the experience.

MADELEY CRICKET CLUB LOOKING FOR NEW PLAYERS

The club have sessions available for players from age 6 to 15 and would like to involve as many young people as possible. In 2024, they had 4 young people who were successful at Shropshire Cricket Trials for the county, 2 of whom had not been involved in cricket prior to this season! Anyone who has not played before is welcome to have a free trial at any of the sessions (indoor winter or outdoor from April).

OUR DAY OUT

Pupils dedicated their time from September to rehearse the school play which was once again a resounding success. A pupil from the cast said: "Being a part of Our Day Out allowed us to understand and give a powerful message, both to ourselves and our audience, one that we hope will stick with pupils and teachers alike. We're very fortunate to be able to have such a talented drama department, where kids feel that they are able to change people's perspectives and minds with their acting and performance skills, and I know I speak for every member of the cast when I say that this will remain a strong memory"

ALL ABOARD

The Blue Skies group paid a visit to Alstom train depot in Wolverhampton. Pupils met staff and learnt about their career stories, had a behind the scenes tour of the depot and a 'build a model using team work' game. Great fun!

It's important for pupils to make a good start every day

- Arrive on time
- Be ready to learn
- Commit yourself

Logan Year 8, with his first winners trophy from Telford Amateur Boxing Club. He's been a member of the club for two years and shown a real talent for the sport. Logan hopes his success will lead to further competitions in country wide Box Cups.

Coming Soon!

On Thursday 6th March, we are planning an exciting event at School to celebrate World Book Day. Catherine Randall, author of *The White Phoenix*, has agreed to visit the school to talk to Year 7 pupils about her book. Pupils will be able to enjoy an assembly about how Catherine wrote her book and what goes into writing a novel (the setting, characters, plot, conflicts) plus some fun stuff about what World Book Day might have looked like in 1666.

There will also be an opportunity for the children to buy a book and get it dedicated to them and signed by her.

Recording Absence

Please telephone in using the relevant number everyday of your child's absence.

Years 7,8,9 call 386027

Years 10&11 call 386013
